All events on property must have a day of coordinator. We will provide a site manager who will be there to assist with anything venue related.

**Do you have lodging on property?**
Yes, we do! We have two beautiful accommodations and luxury tent suites *(coming September 2023)* at Camp Hideaway. While we do require the Ranch House to be booked by you on wedding night, we do offer hotel room blocks for your guests to book rooms on property! See the lodging section for details.

**Do you host more than one event on one day?**

**BYOVendors**
We have a great list of vendor recommendations, however you are not required to use these vendors. We require any vendor who has not worked with us to do a site check before your special day.

If we can help you worry about one less thing, all the better! To make it easier on our guests, alcohol is provided through our alcohol distribution partner. We'll help you coordinate directly!

We have two getting-ready rooms for our couples to gather with family and friends before the ceremony!

You will have access to the venue from 9am-11pm including your 1hr vendor breakdown at the end of the night. **Do you have a rain plan?**
With our indoor/outdoor facility we've got you covered in case of unexpected weather! You can also rent a tent if you are still looking for that outdoor ceremony.

To help spread the cost out and lighten the load, we ask for only 25% due at booking, followed by the next 25% due 9 months before and finally the last 50% due 6 months before your big day.

**Who will set up our tables and chairs?**
Our team will set up your tables and chairs, and your catering/vendor team is responsible for the breakdown.
