Really Great, Yet Commonly Asked Questions

Do you require a day of coordinator?
All events on property must have a day of coordinator. We will provide a site manager who will be there to assist with anything venue related.

Do you have lodging on property?
Yes we do! We have two beautiful accommodations that we require to be booked by you or your guests on wedding night.

Do you host more than one event on one day?
We host one wedding or event per day on property.

BYOVendors
We have a great list of vendor recommendations, however you are not required to use these vendors. We require any vendor who has not worked with us to do a site check before your special day.

Can we bring in our own alcohol?
All alcohol at events must be provided through our alcohol partner. We are happy to help coordinate directly.

Where do we get ready?
We have two getting ready rooms for our couples to gather with family and friends before the ceremony!

How long do we get to use the venue?
You will have access to the venue from 9am-11pm including your 1hr vendor breakdown at the end of the night. You can start getting ready at 9am and the reception will end at 10pm giving your vendor team 1hr to breakdown with all guests and vendors out of the venue by 11pm.

Do you have a rain plan?
With our indoor/outdoor facility we've got you covered in case of unexpected weather! You can also rent a tent if you are still looking for that outdoor ceremony.
