Really Great, Yet Commonly Asked Questions

Do you host more than one event on one day?

When you get married at Camp Hideaway, the whole place is yours so we only do one event a day!

Can we bring our own vendors?

While we have curated a great list of local vendors that we can recommend, you can certainly use your own favorite. If we have not worked with this vendor, we require them to join us for a site check before the event.

Can we bring in our own alcohol?

If we can help you worry about one less thing, all the better! To make it easier on our guests, alcohol is provided through our alcohol distribution partner. We'll help you coordinate directly!

How do we Save the Date?

We require a signed contract and 50% due at booking to reserve your date. The remaining 50% is due 6 months before the event.

Who will set up our tables and chairs?

Our team will set up your desired layout. The catering staff is responsible for the clean-up and breakdown.

Can my furry friend stay with me?

Yes, of course! We know that many folks have pets that are part of the family and want them to be there with you. All pets must be on leash at all times and we will require a non-refundable \$150 pet fee.

Do you require a day-of coordinator?

All events on property must have a day of coordinator. We will provide a manager who will be there to assist with anything venue related.

How long do we get to use the venue?

You will have access to the venue from 9am-11pm. You can start getting ready at 9am, with your reception ending at 10pm, this allows your vendor 1 hour to breakdown, with all guests and vendors out of the venue by 11pm.

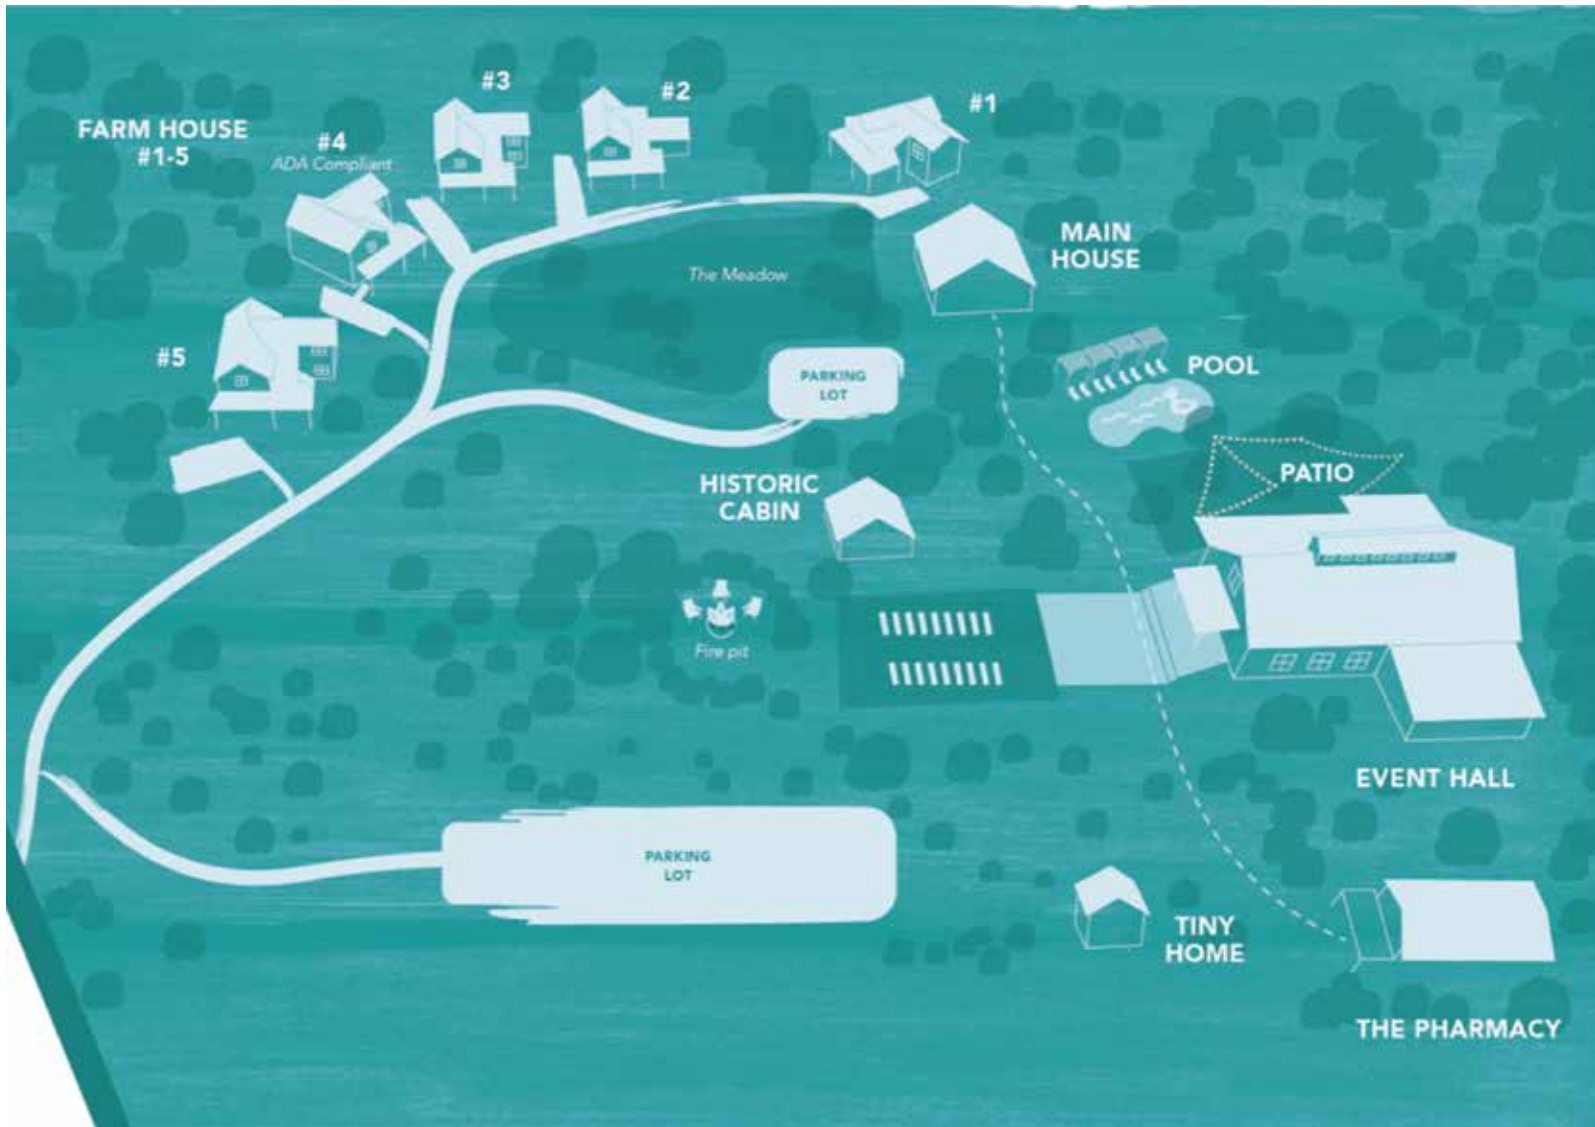

Do you have a rain plan?

With our indoor/outdoor facility we've got you covered in case of unexpected weather! You can also rent a tent if you are still looking for that outdoor ceremony.
